# PRESENTING A NEW BENCHMARK IN RESIDENTIAL REAL ESTATE

Starting 2019, there will be two distinct types of residential projects in Pune. Regular Projects and Kohinoor Projects. A Kohinoor project by definition will offer residences that are beyond compare in quality, design and value. Which means, you can expect nothing short of the very finest when you buy a Kohinoor home because it will meet the exacting parameters as set by Kohinoor's Sada Sukhi Raho commitment.

 COMMITMENT 1

# WHERE HAPPINESS COMES BRANDED.

Unlike projects by other developers, all Kohinoor projects will be a showcase of branded residences where each and every fitting and embellishment will feature best-in-class brands in their respective segments. Right from doors to flooring to paints to sanitaryware, and even things not visible to the eye like pipes, wires etc. Because as a brand committed to quality, we wouldn't compromise on anything.

## COMMITMENT 2

# HOMES THAT BEFRIEND OUR PLANET.

Building a residential project is one thing, but creating thoughtful societies is quite another. At Kohinoor, we have always aligned ourselves with the larger good for the environment. And keeping in line with this thinking, our projects have sustainable living features at the core of everything we do. Little wonder then, that when you live in a Kohinoor home, Mother Nature will automatically befriend you, and that too without a social media request.
